WORK HISTORY

New England Orthopedic Surgeons, Inc.
300 Birnie Avenue, Ste. 201
Springfield, MA

8/1/04----

EDUCATION

Hospital for Special Surgery, New York, NY
Department of Orthopaedic Surgery

8/1/03-7/31/04

Fellowship in Adult Reconstructive Surgery of the Hip and Knee

University of Illinois at Chicago, Chicago, IL
Department of Orthopaedic Surgery
Residency in Orthopaedic Surgery

7/1/99-6/30/03

University of Illinois at Chicago, Chicago, IL
Department of Surgery
Internship in General Surgery

6/24/98-6/30/99

Jefferson Medical College, Philadelphia, PA
Doctor of Medicine, *cum laude*

8/94-5/98

The Pennsylvania State University, University Park, PA
Accelerated Premedical-Medical Honors Program
Bachelor of Science, *cum laude*

6/92-5/94

LICENSURE

Licensed Physician and Surgeon, State of Massachusetts # 220477
Licensed Physician and Surgeon, State of New York # 227483-1
Licensed Physician and Surgeon, State of Illinois #036-105367
Passed, Part I examination of the American Board of Orthopaedic Surgery

CURRENT RESEARCH AND PUBLICATIONS

Lehman AP Bostorm M Nestor B Su E Wright T Sculco T The influence of tantalum acetabular components on initial cup stability and wear after total hip arthroplasty-a radiosterometric analysis (In progress)

Lehman AP Bostorm M Nestor B Su E Wright T Component migration after total hip arthroplasty with ceramic bearing surfaces a radiosterometric analysis (In progress)

Windsor R Lehman AP Bartel D Walther W Finite element analysis of intramedullary stems in total knee arthroplasty (In progress)

Bostrom M Lehman AP Nestor B Buly R Acetabular revisions with Contor anit-protrusio cages (In progress)

Andrew P. Lehman, M.D.

ACTIVITIES AND AFFILIATIONS

<i>Awarded, Robert D. Ray Award for Orthopaedic Research</i>	2003
Resident Member, American Academy of Orthopaedic Surgeons	1999-Present
Elected, Administrative Chief Resident by peers	2002-2003
Member, UIC Residency Interview Committee	2000-2003
Resident Team Physician, UIC athletic teams	1999-2003
Instructor, Orthopaedic physical examination for 2 nd year medical students	1999-2003
Lecturer, Clinical orthopaedic surgery for 4 th year medical students	2001
Member, Association of Pathology Chairs Honor Society	1996-Present
Member, Hobart Amory Hare Honor Medical Society	1996-Present
• Secretary and Treasurer	1996-1997
• <i>Outstanding Service and Leadership Award</i>	1997
Member, American Medical Association	1994-Present

ADDITIONAL TRAINING

<i>Holiday Total Knee Course</i>	2003
Richard S. Laskin, M.D.	
Hospital for Special Surgery	
New York, NY	

<i>Knee and Hip Arthroplasty Course</i>	2003
Charles A. Engh, Sr., M.D.	
Anderson Orthopaedic Institute	
Alexandria, VA	

<i>Miller's Colorado Orthopaedic Review Course</i>	2003
Mark Miller, M.D.	
Denver, CO	

<i>Orthopaedic Review Course</i>	2003
AAOS Annual Meeting	
New Orleans, LA	

<i>Musculoskeletal Pathology Course</i>	2002
Michael Simon, M.D.	
University of Chicago	
Chicago, IL	

<i>Current Techniques in Knee Arthroplasty: Unicondylar, Primary, and Revision</i>	2002
AAOS Orthopaedic Learning Center	
Rosemont, IL	

<i>"Masters Experience" Comprehensive Arthroscopy of the Knee</i>	2002
Arthroscopy Association of North America	
AAOS Orthopaedic Learning Center	
Rosemont, IL	

<i>Arbeitsgemeinschaft für Osteosynthesfragen (AO) Basic Course</i>	2000
Chicago, IL	

Andrew P. Lehman, M.D.

Nestor B, Lehman AP, Bostrom M. CT analysis of acetabular bone stock in revisions requiring an anti-protrusio cage. (In progress)

Lehman AP, Hilton K, Patek R, Goldstein WM. Knee manipulation predicts a lower range of motion at one year following total knee arthroplasty. (Submitted for publication, 2004)

Lehman AP, Aram L, Romero F, Amirouche F, Gonzalez MH. Porous-coated hemispherical acetabular component micromotion after total hip arthroplasty: an *in vitro* investigation. (Submitted for publication, 2004)

- Podium presentation (#1076) at the World Congress of Biomechanics in Calgary, Alberta, August 2002
- Presented at OREF Midwest Resident Research Symposium, May 2003

Vaccaro AR, Lehman AP, Ahlgren BD, Garfin SR. Anterior C1-C2 screw fixation and bony fusion through an anterior retropharyngeal approach. *Orthopedics*. 1999; 22:1165-70.

PRESENTATIONS

OREF Midwest Resident Research Symposium
Loyola University Medical Center 2003
Initial porous-coated acetabular component stability after total hip arthroplasty.

University of Illinois at Chicago
Department of Orthopaedics 2002
Annual Clinical Research Conference
One year follow-up of knee manipulations following total knee arthroplasty.
• *Award for best research paper and presentation*

University of Illinois at Chicago
Department of Orthopaedics 2001
Annual Clinical Research Conference
Harvest site morbidity secondary to ACL reconstruction with autogenous patellar tendon graft: the UIC experience and a review of the literature.
• *Award for best research paper and presentation*

University of Illinois at Chicago
Department of Orthopaedics 2000
Annual Clinical Research Conference
Intraoperative correction of adolescent idiopathic scoliosis via selective anterior thoracic instrumentation and fusion.
• *Award for best research paper and presentation*
• Poster presented at Scoliosis Research Society (SRS) meeting, Cleveland, OH 2001
• Poster (PE315) presented at AAOS meeting, San Francisco, CA 2001
• Presented by senior author at SRS meeting, Cairn, Australia 2000
